HAS WORKED WITH...**

macphie

Since its inception in 1982, Chef Argent has been a leader in contract processing of salad dressings and bases, beverage concentrates, dips, and sauces worldwide.

Our company offers a “one stop shop” for product development, production and distribution of both retail and food service packs. We have over 300 formulas in our library, or we can manufacture your own recipe with our private label division.

We offer a one-on-one customer service approach that will bring your product from start to finish.
